This beautiful Chianti Villa is

located in a very quiet and secluded position situated in Chianti. The owners of the estate, with long experience in providing guest accommodations, completed restoration of this stone-built farmhouse in 2005. Their aim was to make it the ideal residence for those seeking a totally relaxing holiday in Chianti, so they have provided full-time staff to take care of the house and to prepare meals for guests.

The interior has been restored with full respect for the typical Tuscan traditions, and each bedroom has been equipped with an en-suite bathroom. Guests can enjoy incredible views from the covered terrace, which is furnished for outdoor eating and is also very practical for families as it overlooks the pool, allowing parents to relax while keeping an eye on the pool area. The fortified hamlet offers two nice restaurants, one of which owned by the estate. The English speaking estate staff can organize cooking lessons, visits to the wine cellars and will be glad to assist guests during their stay. There is also a tennis court, available on request. The property can also be rented with a cooking service (breakfast and another meal) at extra cost.
