Set in the hills South-East

of Lucca, this Lucca villa is an ideal retreat for family summer vacations.

A panoramic terrace in front of the house was planned to be an outdoor living area during the day and an inviting spot for al fresco eating in the evening. The beautifully appointed, comfortable interior of the villa also oozes Tuscan charm at its best. At the back of the house, on a slightly higher level, a 13x6 swimming pool was installed in the lawned garden. The centre of Lucca and the main Tuscan attractions are all easily reachable thanks to the convenient location of the villa.
