This very special Tuscany

villa in Chianti is located on the edge of the Castle in San Donato, a beautiful hamlet which has recently been restored to a high standard.

The house position allows guests to enjoy unusual privacy compared to other units on the Estate with the benefit of the beautiful gardens and swimming pool that are shared with the other houses of the complex.

The location is one of the most spectacular positions of Tuscany, in the heart of the Chianti region between the historical villages of Radda and Gaiole in Chianti. The hamlet boasts a central position among the 360 hectares of vineyards belonging to the Estate and is composed of a castle dating back to the 10th century and a church along with several other buildings. The discerning owners furnished the interiors at the highest possible standard and equipped it with all modern facilities. A particular feature is the beautiful terrace and garden where guests can appreciate the most stunning views of the surrounding countryside when simply relaxing outdoors or having al fresco meals under the well furnished pergola.
