This exquisitely restored

villa in Tuscany is situated in one of the most beautiful positions, right in the heart of Chianti Classico. From its secluded position the views are absolutely stunning, with all the windows framing a picture of the lovely Chianti countryside at its best.

The spacious interiors have been restored to a very high standard and tastefully furnished in a mix of ethnic and antique furniture.

The living areas all open via french windows onto the garden on one side and an internal patio on the other, making the rooms very bright.

In the patio there is a lovely vine-covered pergola with marble table, ideal for "al fresco" dining.

To the front of the house, the furnished terraces provide the perfect spot for enjoying the magnificent views.

The beautiful infinity swimming pool, is in a lower terrace in panoramic position and has a large shallow end for children.
